The Lichfield Festival

For more than 30 years The Lichfield Festival has been bringing the best national and international artists and performers to the region each year for a summer celebration of dance, drama, poetry, film, jazz, world music, classical music and visual arts exhibitions.

Our aim is to present high quality events from across the world in historic and unusual settings, providing audiences with vibrant and memorable new experiences.

Performers as diverse as Sir Simon Rattle, Oscar Peterson, Stephen Fry, The Ukulele Orchestra of Great Britain, Philip Glass, Soweto Gospel Choir, Dame Jenni Murray, Sir Andrew Motion and The Hairy Bikers have appeared since 1982.

Our education and community programme lies at the heart of the Festival's activities. Through workshops, free community events, master classes and schools projects we provide people of all ages with an opportunity to explore their creativity.
